TYPOGRAPHY

Cinzel Regular 400 is the brand typeface: it sets both the name (SAINTS / VOYAGER) and the descriptor line (TRAVEL & CONCIERGE, tracked caps).

Cormorant Regular 400 is the recommended secondary typeface, for body text, letters and captions.

Both are included in `04–fonts/` with their SIL Open Font Licence.

CLEAR SPACE & MINIMUM SIZE

Keep clear space equal to the cap height of SAINTS on all four sides. Minimum width: 40 mm print / 240 px screen for the full lockup with descriptor; below that, use the lockup without the descriptor line.

DON'T

- Don't stretch or re-proportion the lockup.
- Don't use colours outside the palette above.
- Don't apply drop shadows, outlines or other effects.
- Don't re-set the type — use the supplied files.
- Don't place on busy photos without a navy or ivory panel behind it.
